WHAT THIS PUBLIC HOLIDAY IS ABOUT:

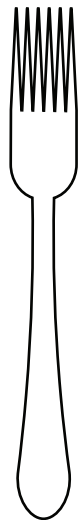

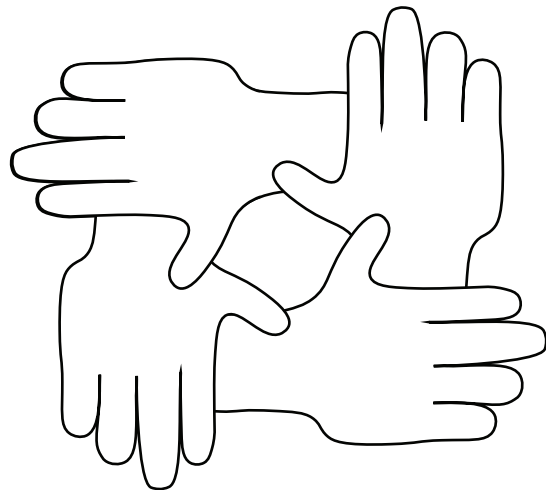

What is "heritage"? It's a big word that means 'where you come from' and what your family traditions are about. Heritage Day is an occasion that recognises the rich and beautiful diversity of South Africa's people. Heritage can include: wildlife, places of importance, artwork, literature/books, music, languages and food traditions to name a few.

As Christians, we believe God created us all as unique, special and beautiful. This day allows us to share and celebrate our differences while also remembering how we're the same.

WHAT THE BIBLE SAYS ABOUT IT

"For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others."

GALATIANS 3:28

1. Think about those in your class. How are your classmates different? How are they also the same?

2. Why is it good that we are different? How does that make the world good?

3. What makes you special and unique? How do you think God wants you to use that to show love to others?
